

Attorney Docket No.: 6195.200-US
Serial No.: 09/925,792
Filed: August 9, 2001
Via Facsimile No.: 703-872-9306

REMARKS

Applicants have amended the claims by adding new claims 14, 15, and 16 which correspond to old claims 3, 12, and 13, which the Examiner deemed to be allowable. The new claims have been rewritten in independent form and have been grammatically and idiomatically corrected to correspond more closely to customary US patent practice.

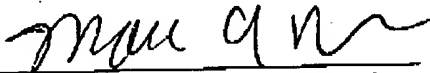

Conclusion

In view of the above, applicants respectfully submit that all claims are in condition for allowance. Accordingly, applicants request reconsideration of the application and allowance of all pending claims. The Examiner should feel free to contact applicants' attorney for any reason, especially if the Examiner believes that the claims are not all in condition for allowance.

The Commissioner is hereby authorized to charge any fees in connection with this application and to credit any overpayments to Deposit Account No. 14-1447.

Respectfully submitted,

Date: June 28, 2005
